Concord Sports Center Fall Baseball Teams

Concord Sports Center's Fall Baseball Teams will begin its 4th season this September. Over 100 players participated in the league last year which continues to expand and provide a quality, structured environment for baseball throughout the fall months.

This league will consist of teams from all over New Hampshire. The goal is to improve each player's skills for the following season and to have fun doing it. Certified umpires from the NH Umpires Association will work each game. Games will be played in September - October.

All Sports Center teams participate in the Granite State Baseball League. Which is a 8 week, 15 game league. Players will also have two team practice per week at Concord Sports Center.

***10-12 Year Old Divisions will be metal bats
Middle, JV and Varsity Teams will be wood***

**** Home of Concord Cannons AAU Baseball ****

Concord Sports Center Fall Baseball Teams

Varsity Division - Players must be enrolled in grades 10-12. All games are played on weekends September-October. This league is a great way for players to continue training over the fall months.
