Dear Bryan:

I wanted to thank you for hosting the Concord Monitor's Summer Picnic on September 10<sup>th</sup>. We had many comment that it was our best picnic ever, and all in attendance had a wonderful time. You and your staff were attentive and responsive to every request (including some above and beyond – thank you for receiving the delivery of the grill and for the use of the grilling kit!) The facility is spacious but comfortable, and had plenty of room for our employees and their families. The bounce house was a great addition as well. From the batting cages to the video games and fast pitch, and the fields, there was never a shortage of fun things to do. The football game on the big screen TV even ensured our diehard football fans wouldn't miss a thing.

Thank you again for everything, we look forward to working with you on future events!

Sincerely,

Tracie Wajer  
Human Resources Director, Concord Monitor
